Welcome to IFID 2020

The 2020 8th International Forum on Industrial Design will be held in Luoyang International Exhibition Center, China during May 15-17, 2020. IFID2020 is hosted by Luoyang Government, organized by Luoyang Science and Technology Bureau, Luoyang Productivity Promoting Center, Luoyang Creative Industry Design Center and Guangdong Academy of International Academic Exchange, co-organized by Northwestern Polytechnical University, Lanzhou University of Technology, Henan University of Science and Technology, GOTH DESIGN Co.LTD, Low Carbon Design Society of Hong Kong, Xihua University, North Minzu University, Zhengzhou University of Aeronautics, Zhengzhou University of Light Industry, Nanchang University, Xi'an University of Science and Technology, Xi'an Jiaotong University, Hebei Agricultural University, Tropical Agricultural Machinery Research Institute of Chinese Academy of Tropical Agricultural Sciences, School of Design Art of Dalian University of Science and Technology, College of Mechanical Engineering of Jilin Engineering Normal University, Bengbu University and School of Information Science and Engineering of Dalian Polytechnic University and School of Design and Art of Shenyang Jianzhu University. The idea of the conference is for the scientists, scholars, engineers and students from the Universities all around the world and the industry to present ongoing research activities, and hence to foster research relations between the Universities and the industry.

Publication

1. All submissions will be peer reviewed by 2-3 reviewers. All the registered and presented papers will be published in **IOP Conference Series: Materials Science and Engineering (MSE) (ISSN:1757-8981)**, which are to be indexed by Elsevier: **SCOPUS** www.scopus.com, Index Copernicus Journals Master List www.indexcopernicus.com, Google Scholar scholar.google.com, **Ei Compendex (CPX)** www.ei.org/, Cambridge Scientific Abstracts (CSA) www.csa.com, Inspec (IET, Institution of Engineering Technology) www.theiet.org, SCImago Journal & Country Rank (SJR) www.scimagojr.com, EBSCO www.ebsco.com. All the volumes of the proceeding will be submitted to **Thomson Reuters (WoS)** and selected ones will be indexed.

Call For Papers

Topics: The IFID2020 is soliciting state-of-the-art research papers in the following areas of interest (not limited to)

- ☑ 1. Research on industrial design history
- ☑ 2. Discussion on the theory of design innovation
Discussion on Design Education in the New Era
Design strategy, planning and management research
- ☑ 3. Research on innovative design methods
Intelligent design research
Basic research in design aesthetics
User Experience Testing and Evaluation Research
- ☑ 4. Personalized, stylized, and characteristic re-creation of industrial design
Digital design
Practical research on design visualization technology
Research on Cloud Platform Service for Design Industry Chain
Research on Cultural and Creative Product Design from the Perspective of Internationalization
- ☑ 5. Human-machine system research
Ergonomics application research
Ergonomic innovation experimental method
Experimental Research on Human-Computer Interaction of Intelligent Products
- ☑ 6. other related topics

Notices

*Full Paper (for Presentation and Publication) :

Accepted full paper will be invited to give the oral presentation at the conference and be published in the conference proceedings.

*Abstract (Presentation only):

Accepted abstract will be invited to give the oral presentation at the conference, the presentation will not be published.

*Review Process:

By submitting a paper to IFID 2020, the authors agree to the review process and understand that papers undergo a peer-review process. Manuscripts will be reviewed by appropriately qualified experts in the field selected by the Conference Committee, who will give detailed comments and — if the submission gets accepted — the authors submit a revised ("camera-ready") version that takes into account this feedback.

All papers are reviewed using a single-blind review process: authors declare their names and affiliations in the manuscript for the reviewers to see, but reviewers do not know each other's identities, nor do the authors receive information about who has reviewed their manuscript.

The Committees of IFID 2020 make great efforts in reviewing the papers submitted to the conference and organising the sessions to enable the participants to gain maximum benefit.
